

Dear High School Youth and Parents,

We hope that you and your family are doing well in the midst of so many things changing day to day. We want to assure you that we are here for you and eagerly awaiting the day when we can be gathered together again. We know that there are so many uncertainties going into the fall and next year. We hope to have a better understanding of how we will move forward over the summer. We will also be planning for an at home study program if needed. In the hope that we will be meeting in person for next year's faith formation activities, we want to review our program with you. For those of you that are unfamiliar with our confirmation preparation, we begin in 9th grade and focus on four aspects including catechesis, community, service, and prayer with the sacrament of confirmation celebrated at the end of 10th grade. We hope this letter gives you a more solid understanding of our program to be ready to start in the fall!

We are working on our schedule for the year based on the local high schools' calendars and hope to have that updated on our website soon. Our calendar will have our catechetical sessions and several parish activities that groups can participate in. We will also be promoting local, regional, and national youth ministry events through email so keep an eye out for those!

To make our program work, we need everyone to participate including parents. On our website is a form for youth to give us their contact info and we'll be asking for parents to volunteer to serve at one of our Chosen sessions or other events. We expect at least one parent from each family to sign up for at least one volunteer slot. We are also asking our adult leaders to host at least one social, service or spiritual activity regularly.

To learn more about the program and your role in preparing your child for Confirmation, please take some time to review our website to learn more about the expectations - [www.youthwithheart.com/confirmation-information](http://www.youthwithheart.com/confirmation-information).

We hope that you are as excited about this opportunity as we are! To make registration a little easier this year, we have created an online form and payment option on our website at [www.youthwithheart.com/registration](http://www.youthwithheart.com/registration). We also offer independent study if you need alternative preparation. We ask for your patience, support, and prayers over these next few months as we embark on another year. If you have any questions or concerns, please contact our office by phone or email.

You are always in our prayers!

Peace,

Dan Lawler  
Director of Faith Formation for Youth and Young Adults

## **Catechesis**

During our sessions, groups meet at 9:00 am with 10th grade in the Parish Center and 9th grade in the Upper Room. We spend some time introducing our topic for the day with food provided. After the large group session, groups will break out to meeting rooms to watch the Chosen videos and discuss them together. Ascension Press created Chosen, a video based series that dives into our Church's teaching. They gathered valuable resources for our leaders, parents and sponsors to join in our faith formation. The goal of the program is to offer teens a powerful, life-changing experience as they prepare to receive the Sacrament of Confirmation.

The Chosen series is based on the RCIA process (Rite of Christian Initiation of Adults) for people joining the Catholic Church. It is meant to be comprehensive and viewed in order with group discussion. We understand there may be serious reasons for someone to miss a session and we try to work with you. If you are unable to attend a session, you must contact the Faith Formation Office at least two days in advance to schedule a time to come in to make-up the session prior to the next meeting. You will need an adult to view the videos and discuss the lesson with you and plan at least one hour per make-up session. Our office is open Monday - Friday from 9 am-5 pm and Monday evenings from 5-9 pm. Please let us know if you need to schedule a time outside of those hours. Since we expect active participation in our program, if a youth misses more than 3 sessions in a year, we will reach out to schedule a meeting to discuss your continued participation in our program.

## **Community**

Small groups are formed at the start of 9th grade with attention to creating diversity and continue growing together over two years. We offer social events and activities scheduled throughout the year (and some still need to be scheduled) which will offer opportunities for relationships and friendships to be formed based on shared values and beliefs. Our retreats offer a chance for them to get to know one another on a deeper level.

## **Service**

The primary goal of youth ministry is for young people to become disciples of Jesus Christ. At St. Margaret Mary, high school youth are expected to cultivate a lifetime of service. We hope that our youth will understand the difference between volunteering and service as ministry to others. Each year, participants are required to serve at least 20 hours each year but hopefully much more. A portion of this work should be done individually and preferably with a long term commitment to establish a relationship with an organization. Since Harvest Sunday is a whole community event, we need everyone helping on both days. Groups should attempt to participate in at least one service outing together such as Feed My Starving Children, PADS, or another service agency. Service hours can be submitted on our website as they are completed. The best way to determine if you are doing the kind of service we are looking for is to ask yourself, "Am I continuing the ministry of Jesus"?

## **Prayer**

Through our formation and events, we connect young people to the rich tradition of prayer in our Church in both personal and communal ways. During retreats and sessions, we teach and provide opportunities to pray together and develop habits of prayer. The source and summit of our approach to prayer is the Eucharist. We expect that families are attending Mass on a weekly basis and praying at home as our Church teaches. Everyone is encouraged to join us at 11:00AM Mass after each Chosen session for a vibrant, youth-led celebration.
